**Household Hazardous Waste Center**

Steve Wood stated the Household Hazardous Waste Center (HHW) is currently experiencing a lot of business, which they have never experienced before at this time of year.

Wood stated they handed out 2,100 bags at the Hamilton County 4-H Fair this weekend. Traffic through the county tent has been greater than ever before. The dumpster locations are working well with the Fair traffic.

Dillinger stated he thinks the county tent is not very nice and he is going to lobby to get more money to make the tent more attractive. He received a great reception while he was at the tent. Dillinger stated Kathy Richardson is frustrated and requested the Commissioners put more emphasis on the tent with other elected officials. Belden suggested elected officials wear a badge or shirt that indicates who they are.
